## **FALL FLORAL SHOW ARRIVES AT LAMBERTON**

*Flowers offer a unique sight and terrific photo opportunity.*

Monroe County's Lamberton Conservatory at Highland Botanical Park is currently displaying the "Fall Floral Show" through November 26, 2000. This colorful array of plants includes 4,200 traditional "pinched mums" with multiple flowered plants and 500 "standard mums" grown to be tall with a single large flower on top.

Many varieties of potted chrysanthemums are artistically arranged with a walkway of flowering cabbage and flowering kale that lead to a cozy, picturesque cottage. This array of colored flowers includes white, red, purple, lavender, bronze and yellow. Also displayed are daisies, doubles, spoon flowers, and spiders.

The Lamberton Conservatory is located at 180 Reservoir Avenue and open to the public free of charge. Hours of operation are daily 10:00 a.m. to 4:00 p.m. Parking is free and the conservatory is handicapped-accessible. For more information call 256-5878.
